## dessert wine

### NOSTALGIA, RARE, D'ARENBERG - TAWNY NV

MCLAREN VALE, AUSTRALIA

This is the oldest wine that they release each year. It is only available in tiny quantities due to the amount that evaporates to the atmosphere over time, known as 'the angel's share'. Produced from biodynamic grapes, the Nostalgia is blended to an average age of more than 15 years, comprising up to 40 various fortified wines that have been aged in old oak, predominantly Grenache and Shiraz. After careful blending, the wine is bottled in small batches to maintain complexity, freshness, intensity and lushness.

### MUSCAT DE BEAUMES DE VENISE, DELAS FRÈRES ET FILS

RHONE, FRANCE

The Muscat de Beaumes de Venise is unique in the Rhône Valley. It owes its resurgence to its terroir – protected by the Dentelles de Montmirail and suitable for the cultivation of Muscat, the grape of choice. Planted on narrow terraces, known as restanques or faysses and supported by walls, the muscat vines have shaped the region's landscapes. White Beaumes de Venise muscats are golden in colour with a nose of flowers and tropical fruits and have a long finish.
